Mozsi has been formally incorporate to act as a vehicle to broadly promote and represent Masters Athletes.

The aim is for the new organization to can act as an avenue to encourage participation in all areas of Masters sport and to raise mon- eys through sponsorship, grants, subscriptions and other fundraisers.

At present, the initial work- ing group are both male and female local basket- ballers from Adelaide Metro and SA Country, with con- tacts and input from inter- state. We also have strong interest from players in-

involved in various other sports including, athletics, swimming and tri athletes.

We perceive that this incorpo- rated body will act as a con- duit for information, calendars and financial support for Mas- ters events, to help individu- als and groups find teams, accommodation and assist in coordinating travel etc.

The emphasis is on Fun, Part- icipation, Health and Well being and Competition!

Current Masters participants and/or new interested mem- bers are not obliged to change team names or play- ing personnel, or any other

arrangements by becoming part of this Inc Body. Our aim is to assist all Masters playing groups or individu- als where required.

We plan to publish a regu- lar newsletter that will keep all interested parties in- formed on past, current and future Masters events, information and perform- ances (including wins, losses, personal bests and bloopers!)

All information, photo's, gossip etc. are greatly en- couraged and will be pub- lished with as little censor- ship as necessary!

SPONSORSHIP...

Our Major Sponsor

In these turbulent financial times it is imperative more than ever to have sound financial advice.

Darcy Cheney is one of our athletes whose core business is about helping people to build their retirement nest egg and set themselves up for retirement. Also as a financial planner he can help anyone with any investments, (ie Super, managed funds, Pensions, etc) plus Life, Dicsability, Trauma, and In- come Protection insurance.

So, give him a call. You'll find him very helpful and he'll give you an obligation free appraisal of your options.

2008 UPDATE

Our current members have been involved in a wide number of Masters events over the past 12 months. The Basketballers began their year with a trip to New Zealand where the Adelaide boys team defended their honor by winning back to back Gold and had a great trip. The Girls travelled once again to the Annual Ballarat tournament for the fourth consecutive year, this time only bringing home a coach with 5 broken ribs!!

Both the Oz Squad women and two Adelaide Masters men's teams entered the Port Pirie Regional Games this year with all teams again stamping their presence and bringing home Gold.

At the FINA World Swimming Champs in Perth, the Adelaide women's over 50 water polo team became World Champs after winning a mammoth Gold.

The Central Australian Masters Games held in Alice Springs saw many of our members participating in many sports with numerous medals adding to the weight of the aircraft on the flight home.

But the biggest trip saw men and women basketballers travel overseas to Guam for an invitation only tournament. A Fabulous experience for those fortunate enough to participate.

THE HARD YARDS

Currently, weekly basketball trainings are being held at the CBC court ,corner of Wakefield St and Daly St in the city. Any male or female player (or potential player), may attend from 10:30am till Noon on every Sunday morning for \$5.00 per person.

Social drinks after a work-out is the highlight—

SNOW PATROL

While on the subject of hard yards, spare a thought for Glenn "Snow" Millard from Barmera.

Snow, for one, will be glad to see the back of 2008 having had a series of serious health issues this year.

Snow has just come out of hospital (in record time) following a bone marrow transplant. The prognosis is excellent and it was great to see him looking fit and raring to go when we spotted him at Wayville recently. We look forward to the day when we see Snow enjoying a quiet sherbet again.

On the up side Snow and Sue have just become grand parents for the first time so things really are on the improve.
